Virendra Sharma, Member of British Parliament urges Southall residents to boost their broadband

The broadband market is highly competitive, with superfast broadband packages

SOUTHALL: Ofcom figures show that 98% of UK homes and offices in Southall can now get superfast broadband. But across the London, only around half have taken it up and many local residents could be missing out on faster speeds. Many are paying more than they need to as well. Around four million UK households with old-style, basic broadband have passed their initial contract period and could switch to superfast for the same – or less – money than they

currently pay. The broadband market is highly competitive, with superfast broadband packages now available from around £20 a month.

Customers urged to Boost Your Broadband-To help people get the best broadband deal for them today, Ofcom has launched Boost Your Broadband, an information campaign and website that aims to demystify the broadband market, particularly for people who might be daunted by the choice on offer. Virendra Sharma MP is urging local residents who want to speed up their broadband and save money in the process to visit the website, follow the advice and find out if they could get more, for less from their broadband.

How it works-By following three simple steps at BoostYourBroadband.com, broadband users can check their options, decide what they need and get clear, independent advice on how to go about getting the best broadband deal for them. This is how it works.

भारत और पाकिस्तान

पाकिस्तान एक अविश्वसनीय राष्ट्र है। पाकिस्तान अलगाव की बुनियाद पर थोपा गया देश है। पाकिस्तान सांप्रदायिक घृणा की कोख से पैदा हुआ वतन है।

भारत एक विश्वसनीय राष्ट्र है। भारत की बुनियाद 'सर्व धर्म समभाव' है। भारत ने दुनिया को सदैव प्रेम व सहयोग का संदेश दिया है।

पाकिस्तान ने परमाणु हथियार बनाये, लक्ष्य रखा भारत में विध्वंस।

भारत के परमाणु हथियारों के निर्माण के पीछे विश्व शांति की भावना है।

1974 में पहली बार इंदिराजी के प्रधानमंत्रित्व काल में हुए प्रथम परमाणु शक्ति परीक्षण पर हमने कहा बुद्ध मुस्करा उठे।

पाकिस्तान ने उसके परमाणु शक्ति परीक्षण पर कहा "दुनिया में फतेह करेगे, इंशाअल्लाह।

हम शांति की बात करते हैं, वे युद्ध का उन्माद भड़काते हैं।

भारत में आतंकवाद को प्रश्रय देने वाला एक भी संगठन नहीं है।

पाकिस्तान में एक हजार से अधिक आतंकवाद के अड्डे संचालित हो रहे हैं।

किसी भारतीय ने कभी भी इस्लामाबाद, लाहौर, कराची में लड़ तक नहीं फोड़ी है। जबकि पाकिस्तानी हरकतों का गवाह मुंबई का ताज होटल, दिल्ली के सीरियल ब्लास्ट, संसद पर गोलीबारी, पुलवामा का हमला है।

हमने कश्मीर को शुरु से ही अपना अभिन्न अंग मानते हुए उसे सुविधाओं की थाती परोसी है।

पाकिस्तान ने कश्मीर के नौजवानों को 'आजाद कश्मीर' के फर्जी नारे देकर बरगलाया है।

भारत विरोध का एजेंडा सामने रखकर पाकिस्तान में चुनाव जीते जाते हैं।

जबकि हिंदुस्तान में चुनावी मुद्दे गरीबी उन्मूलन, बीस सूत्रीय प्रगति कार्यक्रम, लोकतंत्र की मजबूती, समानता आधारित जयप्रकाश की संपूर्ण क्रांति रहे हैं।

पाकिस्तान की सेना राजनीति में सीधे सीधे हस्तक्षेप करती है। भुट्टो व मुशर्रफ इसके उदाहरण हैं। इस मामले में भारत की सेना के अनुशासन का लोहा पूरा विश्व मानता है।

पाकिस्तान ने इस्लाम को अपना राजधर्म बना रखा है। भारत पंथ निरपेक्ष (सैक्यूलर) राष्ट्र है। हम उदार हैं, वे कट्टर।

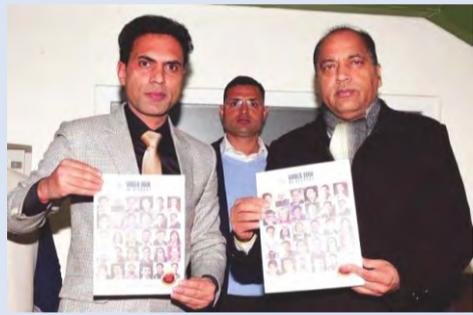

अच्छाई के हर क्षेत्र में अग्रगण्य होने के कारण भारत विश्व शक्तियों की आँखों का तारा है। जबकि अबोटाबाद (पाक) पर आतंकियों लादेन व अलकायदा को सैन्य ऑपरेशन करके मारने के उदाहरण दुनिया के सामने हैं।

कुल मिलाकर निष्कर्ष यह है कि पाकिस्तान एक अवांछित कृत्रिम राष्ट्र है। पाक पर लगाम लगाया जाना विश्वशांति के लिए आवश्यक है।

यूँ भी गीता कहती है जिसका जन्म हुआ है उसकी मृत्यु निश्चित है। जो बना है, वो फन है। पाकिस्तान का जन्म 1947 की 14 अगस्त को हुआ है। भारत प्रकृतिजन्य शाश्वत देश है। भारत अजन्मा है, इसलिये अमर है।

Criticism is something you cannot learn from it to improve yourself

Do you sometimes feel bad? Are people meaning to you? Are you scared of taking chances and doing what truly makes you happy, so you often conform to other people's opinions just to fit in? Aw shucks, that sounds sad. Don't be sad. Be happy. According to Phil Janecic that happiness is what everyone should achieve in life, while avoiding stressful situations, uncomfortable emotions, and challenging obstacles. Despite what people who actually study the human mind and behavior say, these are not things that strengthen your mindset, develop quality habits, shape your personality, and make you a stronger individual. Some call these people scientists, some call them experts, but their real title is haters. Criticism is something very, very bad. It's not something you can learn from to improve yourself. It's not significant if 90% of people hate what you're doing. It's not important if you could do things differently and achieve a better effect. Why? Everybody is awesome. If you're alive, you're awesome. You don't become an awesome person by doing good deeds, advancing your skills and knowledge, putting in hard work, and developing yourself into a smart, capable, and interesting individual.

Dr. Dilip N. Pandit
Editor, Alma Times

Stand up for your beliefs and be stronger to face the Situations

All of us have certain values, i.e. notions we care about above everything else that guide our actions and behavior. Or so we'd like to think. The truth is, most of like to think we're hot, but when the time comes, we don't stand up for what we believe in. We don't speak up for fear of being ridiculed, getting fired, or being rejected. We blend in with the crowd, even if we hate everyone in that crowd. It's a human thing. We want to be liked and respected.

Without a proper backbone, this can go too far. Instead of choosing your battles, you just quit the war. You don't stand up for yourself or your beliefs. You don't speak up when someone disrespects you. You don't stand up for others who cannot defend themselves. Are those really the traits of a strong person who should be respected? This can, of course, be a double-edged sword. If "who you are" is someone with low-quality values, then being unapologetic and refusing to change will really make you unlikeable. But if you are aware of your flaws and you have defined your values, then you should never feel bad for acting on them.
