DISTANCE EDUCATION COUNCIL

प्रो० मंजुलिका श्रीवास्तव

निदेशक

Prof. Manjulika Srivastava

Director

F. No. DEC/2009/4889
17.12.2009

Sub: Continuation of Recognition till the Committee visits - Reg.

Dear Sir/Madam,

This has reference to your application requesting the Distance Education Council for recognition of your programmes offered through distance mode from the year 2008-09 onwards.

In this connection we would like to inform you that your proposal for granting regular recognition to your University is under process. Meanwhile, your University has been granted continuation of provisional recognition till such time the Committee visits your University and submits its recommendations and a decision is taken by the Joint Committee on the same.

However, we maintain that it is the responsibility of the Institution/University to follow the norms prescribed by the concerned regulatory bodies and seek their recognition for professional / technical programme/s as per the requirements. Getting approval of concerned statutory apex body for relevant programme/s will be the sole responsibility of the Institution.

The DEC does not allow franchising of study centers.

Further, we would also like to mention that the territorial jurisdiction for offering distance education programmes would be as per Acts and Statutes of your University and in accordance with the UGC guidelines. Your institutions shall also follow all norms/guidelines issued by the DEC for offering programmes through distance mode a copy of which is enclosed.

With regards,

Yours sincerely,

(Manjulika Srivastava)

To

The Vice Chancellor
Mahatma Gandhi Antarrashtriya Hindi Vishwavidyalaya

DEC Guidelines:

1. The Institution will offer only such programmes through distance mode which are offered by the Institution through regular face-to-face mode.
2. The nomenclature of the programmes should be strictly as prescribed by the UGC/AICTE and approved by the Joint Committee of UGC-AICTE-DEC.
3. The eligibility conditions and duration of programmes will be as per the DEC norms and for professional and technical programmes as per the norms laid down by the AICTE. No admission to MBA, PGDBM and MCA programmes can be done without ensuring that the student has secured a valid score in the entrance test examination for this purpose.
4. The Institution shall limit admission to maximum 60 seats per programme per Study Centre for Management, Computer & IT, and Allied Health Sciences programmes. For laboratory/Practical work, the institution can have a maximum of 30 students in a batch subject to maximum 60 students per Study Centre. The Study Centre be owned by the University and should be opened with the approval of EC/BOM of the University concerned.
5. The Institution should have at least one full time faculty member exclusively for coordinating each programme.
6. Regarding territorial jurisdiction for offering programmes through distance mode the latest UGC notifications will prevail over all previous notifications and circulars. As per the UGC notification, State Universities (both private as well as Govt funded) can offer programmes only within the State and Deemed Universities from the Headquarters and in no case outside the state. However, Deemed Universities may seek the permission to open off campus centers in other states and offer distance education programmes through the approved off campuses only after approval of UGC and DEC. Central Universities will also adhere to the UGC norms. The territorial jurisdiction for the institutions (both private as well as Govt funded) shall be the Headquarters, and in no case outside the State. Thus, the territorial jurisdiction of your Institution shall be governed by these UGC guidelines.
7. The Distance Education Council prohibits franchising of Study Centres. Thus, your Institution will not franchise any Study Centre.
8. The Institution's management of the distance education programmes will be open for review and inspection from time to time by DEC to provide inputs for further improvement or as deemed necessary. The academic norms of the programmes shall be under monitoring and regulation by the concerned regulatory authorities.
