## Compete with your own record and always try to break that - Prime Minister Narendra Modi

Parents should not treat the report cards of their children as their "visiting cards"

**NEW DELHI:** Parents should not treat the report cards of their children as their "visiting cards" or expect them to fulfill their unfulfilled dreams, Prime Minister Narendra Modi said as he interacted with around 2,000 students, teachers and parents in the second edition of "pariksha pe charcha". "I would request parents, do not expect your children to fulfil your unfulfilled dreams. Every child has his or her own potential and strengths. It is important to understand every child's strengths. Parents often treat the report cards of their children as their visiting cards and that adds extra pressure on them which is very unreal and unhealthy," he said. "Only when you

take it in spirit and encourage your child, a 60 per cent holder moves towards 70 or 80 per cent. If you only criticize and scold your child for not getting 90 per, they will start believing that they are incapable. It will take their grades further down towards 40 per cent," the prime minister added. PM discussed ways to handle the exam stress in the interactive session, where students from across the country got a chance to participate. "Our learning cannot be reduced to exams only. Our education must equip us to face various challenges of life as well. I sincerely believe that anything that challenges us, polishes us too. If there is nothing to test us, then we become complacent. There must always be something to challenge us," he said. The prime minister advised the students to aim big in life but do not get carried away in the process of realising them. While aiming big in life is good, but don't get so carried away by it that your dreams remain dreams and you become too old just thinking about it. We must understand ourselves. We must be true to ourselves, questions ourselves frequently to see how we stand periodically as compared to our ambitions and dreams in life, he said.

## राम हैं राष्ट्रीय एकता के प्रतीक

2018 साल का अंतिम माह दिसम्बर कई मायने में महत्वपूर्ण है। देश के पाँच प्रदेशों में नई राज्य सरकारें बन चुकी हैं। ऐसा माना जा रहा है कि 2019 के आम चुनाव का यह सेमिफाइनल हुआ है। मध्य प्रदेश सहित अन्य प्रदेशों में भी मतदान का प्रतिशत श्रेष्ठ रहा है यह लोकतंत्र के लिये शुभ संकेत है। विश्व के सबसे बड़े जनतंत्र में अभी भी सुधारों की गुंजाइश है। स्व. अटल बिहारी वाजपेयी जी, पूर्व प्रधानमंत्री, कहा करते थे कि संविधान के अनेक अनुच्छेदों पर पुनर्विचार की महती आवश्यकता है। चूँकि वाजपेयी जी के समय लोकसभा व राज्यसभा में उनकी विचारधारा वाले महानुभावों का पर्याप्त संख्या बल नहीं था अतः वे संवैधानिक स्तर पर वांछित सुधार नहीं कर पाये थे। दिसम्बर माह में अटलजी की जन्मतिथि भी आ रही है। हिन्दू तन मन, हिन्दू जीवन का महामंत्र देने वाले अटलजी के अनेक साथी अभी मौजूद हैं और वे अयोध्या में भगवान के राम मंदिर निर्माण में हो रहे विलंब से व्यथित हैं। राम को केवल हिन्दुओं के देवता के रूप में ना देखकर विराट दृष्टिकोण से देखा जाना चाहिए। लोहिया जी का कथन है कि राम, राष्ट्रीय एकता के प्रतीक हैं क्योंकि उन्होंने उत्तर को दक्षिण से जोड़ा था। उ.प्र. के मुख्यमंत्री जी, सरयू के तट पर श्रीराम जी की विशाल प्रतिमा लगवाने जा रहे हैं। राम की प्रतिमा के साथ इस बात पर गौर होना चाहिये कि राम ने दुनिया की प्रति माँ को आदर दिया कौशल्या की तरह। असल राम राज में किसी मातृ शक्ति के साथ बलात्कार जैसी घटनाएँ नहीं होनी चाहिये। राम की प्रतिमा का निहित अर्थ मर्यादित जीवन शैली से लगाया जाना चाहिये। संविधान व कानून के स्तर पर अभी भी इस संशोधन की दरकार है कि संसद में आधी सीटें, आधी आबादी के प्रतिनिधि बतौर महिलाओं के लिये आरक्षित हों।
