बात बात में बात

दुनिया में कई खोजें हुई हैं, अनेक आविष्कार हुए हैं। कोई पूछे कि सबसे बड़ा आविष्कार कौन सा है जिसने संसार को सर्वाधिक प्रभावित किया है और जिसका उपयोग सर्वाधिक होता है, तो उत्तर होगा "शब्द"। शब्द, अक्षरों से बनते हैं। शब्दों से वाक्य और संपूर्ण संप्रेषणीयता। मूल बात यह है कि बात कहे बिना, बात समझे बिना, बात सुनें बिना इंसानी जीवन के सूनेपन की कल्पना सिहरन पैदा कर देती है। बिना बात किये आदमी की जिन्दगी बेनूर, बेस्वाद, बेमानी हो जाती है। आदमी मुख से भले ही मौन धारण कर ले या जन्मजात गूँगा हो पर वह अन्तर के अंदर बातें जरूर करता है। दुर्भाग्य यह है कि हमारे देश की शिक्षा प्रणाली में "बात" विषय पर बहुत कम लिखाया पढ़ाया जाता है यही कारण है कि लोग जीवन भर सार्थक बात कर ही नहीं पाते केवल बकवास में ही जिन्दगी खपा देते हैं। जो सही समय पर सही बात करना सीख जाता है उसकी बात को "लाख टके की बात" मुहावरे से सुशोभित किया जाता है। "कौन सी बात कहाँ कैसी कही जाती है। यह सलीका हो तो हर बात सुनी जाती है।" महान लोगों, कवियों और लेखकों की बातें आज भी हम इसलिये याद करते हैं क्योंकि शरीर भले ही नश्वर है किंतु "बात" अमर होती है। विश्वविजयी सिकंदर की सभी जीतों पर पोरस की एक बात भारी साबित हुई है।

"ज्यों केरा के पात में,
पात पात में पात।
त्यो विद्वत की बात में,
बात बात में बात।"

भारत वर्ष के आध्यात्मिक दर्शन में शब्द को ब्रह्म कहा गया है। जब कुछ भी नहीं था तब भी शब्दनाद था "ऊँ"। जब कुछ भी नहीं रहेगा यानि महाप्रलय के बाद तब भी शब्दनाद ही बचेगा "ऊँ"।

इस सारे लेख का लब्बोलुआब यह है कि बात करने की कला को बारीकी से सीखिये। यह धीरे - धीरे विकसित होगी। इसके बड़े फायदे होंगे। लोग आपकी बातों के दिवाने होने लगेंगे। जहाँ कोई किसी को सुनना नहीं चाहता वहाँ आपको सुनने वालों की संख्या बहुत बड़ी होगी। तो बातों ही बातों में अपनी बात को इस बात से समाप्त करते हैं कि -

"दिल चुरा लेने की ताकत तेरे बयान में है, किसी की आँख में जादू इसकी तो जुबान में है।"

The way you think is the way you act reflects your personality

People with a growth mindset believe they can achieve more if they apply themselves — so they apply themselves more. It's not that they are naturally predisposed to be more successful in life, it's their mindset that drives them towards a more successful lifestyle. It's not that somebody is a "born winner" or a "born loser". Strong, confident personalities are developed through habits, actions, and choices. Of course, your upbringing and environment play a large role in making this easier/harder but you are ultimately responsible for your own choices.

If you believe you are destined to be unlucky, broke, shy, stupid, or whatever, you will never attempt to change these things. I mean, if you are "destined" to be this way, you can't change it. But if you believe that all of these things are temporary, that your personality is temporary that you can change through actions and choices then you will. Instead of crying "boo hoo, my life is hard", you will say "fuck that shit" and find ways you can change your life.

Fundamental Success scripts being true to your word is easy

Say you're going to do something and then do it. If you make plans to meet your friend, don't ditch him for some random date. Likewise, if you commit to go on a date with someone, don't back out at the last minute for no good reason. If you don't want to commit, don't commit. If you're not sure whether you can, check and see. If circumstances change and you have to adapt or postpone the arrangement, that's fine too. If someone doesn't want to make an appointment and then realize he'd rather chill instead. He doesn't want to give you your word because, in the back of his mind, he knows his word doesn't mean much. So he'd rather just string you along. Motivator Phil Jenecic says that being a slave of your word is just another way of saying being true to your word. And no matter much Chrises of the world try to convince you it's a bad thing, it's a virtue. Don't be a normal person. Be the person others can depend on. In other words, become the master of your word.
