## Prime Minister Narendra Modi inaugurates Essel Group's YO1, largest nature cure centre in US

Chairman of Essel group Dr. Subhash Chandra will be honored by World Book of Records, USA

**NEW YORK:** In what can be called a unique gift on the occasion of International Yoga Day, Prime Minister Narendra Modi inaugurated US' first and biggest Nature Cure facility YO1 via video conference. Calling it 'Bharat's gift to the US,' Essel Group chairman and Rajya Sabha member Subhash Chandra announced on Twitter that the facility will offer holistic wellness and allow people to connect with the nature in the lines of Ayurveda. 'Yoga has become a mass movement in the past three years,' PM Modi said during the launch event. 'Yoga is not just about some asanas, it's a philosophy, a way of life. I

wish you (Essel Group) all the very best for the venture,' the Prime Minister said via video conferencing. 'Yoga has no religion and can become the binding force for the world,' the Prime Minister added. It should be noted that the nature cure centre will generate 500 direct and 1,500 indirect jobs. A dream project of Subhash Chandra, the centre is built on the Catskill Mountain in Southeastern New York. The facility will provide natural care therapies based on the ancient Indian disciplines of Yoga and Ayurveda combined with Naturopathy and Acupuncture. The physiotherapy courses are designed to cleanse, detoxify and refresh the visitors. For this unique effort, New York State Assembly honoured Dr Chandra on the eve of International Day of Yoga. Chairman of Essel group Shri Subhash Chandra would be honored by World Book of Records, USA for his contribution. This was informed by Shri Sanjeev Dubey, New Delhi.

## Virendra Sharma (Member of British Parliament) will be Chief Guest in Alma National Excellence Award - 2018

**NEW DELHI:** Shri Virendra Sharma (Member of British Parliament) will be chief guest in Alma National Excellence Award - 2018 which is going to held in Indore City of (Madhya Pradesh), India. He would motivate to youth and other personalities those promoting the social, cultural, educational, political and environmental cause. There would be more than thousand people participated across the country and union territory. In the function, he would stress on socio-economic development of India. Significantly, Shri Virendra Sharma is the Member of British Parliament from Ealing Southall (United Kingdom) constituency.

## Individuals and organization across the country will be honoured by prestigious Alma National Excellence Award 2018

Prominent personalities would be felicitated with Life Time Achievement and other Awards

**NEW DELHI:** One of the prestigious organizations working at global level, Alma is going to organize National Excellence Awards on socio-economic development of the country with the collaboration with

World Book of Records, London (UK). Alma's prestigious National Excellence National Excellence Awards - 2018 ceremony would be held in September 2018 to honour and award those who performed well in their respective fields. This was informed by the director of Alma Shri Santosh Shukla, Advocate. Shri Shukla further briefed that the ceremony of the awards would be graced by well-known personalities. There would be people across the country who would also felicitate by Alma for Live Time Achievement Award as well other national and international awards. On this grand occasion, the whole event would be covered by Alma Today and

Alma Times being media partners. There would be More than 1000 participants from various parts of the country to mark the event. National Excellence Awards (NEA) has constituted three members jury panel as expertise to select finalists of all categories. The jury panel has right to decide and finalize candidates for Awards and Honour. The decision of the Jury Panel would be ultimate and binding in all grounds. Shri Shukla shed light on selection criteria of National Excellence Awards as that in Individual Category, Interested individual could send entry that must be attached with a biographical profile, field of Specification, Achievement, Honours, Awards and Xerox of Media Coverage. Third party nomination for proposed eligible candidate could be sent with full details. While in Organizational category, interested organization could send entry that must attached with a short write-up of an organization (1000 words), company or organizational profile and media coverage with previous achievements and honours. He said those interested could nominated themselves and get an opportunity to recognized. For details, interested people could contact as [director@alma.in](mailto:director@alma.in).

Dr. Diwakar Sukul Jee  
Chairman  
World Book of Records - UK

WELCOME IN INDIA

[www.worldbookofrecords.uk](http://www.worldbookofrecords.uk)

Amitabh Bachchan

My dear Santosh Shukla ji -

"Education" is the most powerful weapon which can be used to change the World. It can unlock the door to true freedom!

When you educate a child, you improve their drive and self-esteem, as well as give them the tools they need to grow, build and support their family, and encourage the education of their own future children. An educated child is an asset to their society, opening the door to development and growth in both the individual and the community.

Tackling literacy is not simple. It needs ongoing investment, creativity and commitment. We owe it to those we have, collectively as a society, let down badly to give them the best learning experience we possibly can.

ALMA, you have my sincere applause for the work you have undertaken in doing just this. My prayers and best wishes are with you. Keep up the good work.

Warm regards,  
  
 Amitabh Bachchan

प्रो. ( डॉ ) राजीव शर्मा  
शिक्षाविद्

# हँसी खुशी बस चलते रहो

चलते रहें, हँसते रहें।

मनुष्य जीवन को जीने के बस ये ही दो सार्थक तरीके हैं। चलते रहिये उस राह पर जो आपको आपके तय मकसद की ओर प्रतिदिन आगे बढ़ाती है। सावधानी यह रखनी चाहिए कि जितना भी चलें हँसते हुए चलें, खुशी - खुशी चलें।

खुशी के साथ चलने वालों को रास्ते की दूरियाँ कभी बोझ नहीं लगती हैं। भीड़ की मारामारी के मध्य हँसते हुए चलना और हर आज को बीते हुए कल से अधिक उन्नतिशील बनाना, स्वयं की प्रतिस्पर्धा स्वयं से करना, प्रगति का बेरर चेक है।

जो चलते रहे हैं,  
वे निकल गए हैं,  
जो थोड़े भी ठहरे हैं,  
कुचल गये हैं।।

राज कपूर जी की एक फिल्म में बड़ा प्रसिद्ध गीत आया था, बोल थे -

चलना जीवन की कहानी,  
रुकना मौत की निशानी,  
सिर पे लाल टोपी रूसी,  
फिर भी दिल है हिन्दुस्तानी।

हिन्दुस्तानी दिलों की धड़कन स्वामी विवेकानंद कहते रहे हैं कि जीवन का सबसे बड़ा लक्षण है विस्तार। जिस क्षण आप फैलना बंद कर देते हैं समझ लेना मृत्यु ने आपको घेर लिया है।

शायरों ने अपनी लेखनी से चलने की क्रिया को सजदे किये हैं -

चले चलिये कि चलना ही,  
दलीले कामरानी है,  
जो थककर बैठ जाते हैं,  
वे मंजिल पा नहीं सकते।

काव्य मनीषियों ने सतत् कर्मपथ पर चलने वालों को प्रणाम किया है -

कर्म तेरे गर अच्छे हैं,  
तो किस्मत तेरी दासी है,  
नीयत तेरी साफ है,  
तो घर में मथुरा काशी है।

English के विद्वान मार्टिन लूथर ने अनरवत चलने के महत्व को जिस खूबसूरत तरीके से लिखा है बस वहीं पहुँचकर इस लेख को विराम दे रहा हूँ क्योंकि कल फिर चलना है हँसी-खुशी अगले लेख की तरफ -

If you can't fly then run,  
If you can't run then walk,  
If you can't walk then crawl,  
But whatever you do,  
you have to keep moving forward

## समाज की सेवा ही परमोधर्म – भंवरलाल गौड़

राजस्थान व गुजरात में लोक कल्याण के कार्यों में समर्पित श्री गौड़ राष्ट्रीय स्तर पर विभिन्न अवार्डों से सम्मानित

श्री गौड़ का सम्मान करते हुए भाजपा के संजीव दुबे व संतोष शुक्ला

नई दिल्ली। बड़ौदा के समाजसेवी श्री भंवरलाल गौड़ ने एक चर्चा में बताया कि लिक्विड ट्रांसपोर्ट सर्विस जैसे एक्टिव सेक्टर में देश के अंदर बहुत कम लोग करियर को अपनाने का काम करते हैं क्योंकि यह क्षेत्र न केवल रिस्की होता है बल्कि इसमें आर्थिक नुकसान की अधिकतर संभावना होती है। बावजूद इसके ऐसे कठिन क्षेत्र के अंदर अपना करियर चुनने वाले बिरले लोग होते हैं। और उन्हीं में से एक है वरिष्ठ ट्रांसपोर्ट व्यवसायी, समाजसेवी एवं लोक कल्याण के क्षेत्र में अग्रसर रहने वाले व्यक्तित्व श्री भंवरलाल गौड़। पिछले तीन दशकों से ट्रांसपोर्ट क्षेत्र में

लिक्विड ट्रांसपोर्ट सर्विसेज में अपना ही नहीं बल्कि शहर, प्रदेश और देश का नाम गौरवान्वित करने वाले श्री गौड़ ने इस दिशा में अपनी विशेष पहचान बनाई है। लिक्विड ट्रांसपोर्ट सर्विसेज के अंतर्गत ऑइल टैंकर बिजनस को भली भाँति ऊँचाई पर पहुँचाते हुए तथा व्यवसाय को स्वच्छ छवि देने के कार्य में उन्हें ऑल इंडिया मोटर्स ट्रांसपोर्ट कांग्रेस की ओर से उच्च सम्मान दिया गया। यह सम्मान उन्हें 2011 में तत्कालीन राष्ट्रपति ए.पी.जे. अब्दुल कलाम एवं तत्कालीन मुख्यमंत्री श्रीमती शीला दीक्षित के कर-कमलों से प्रदान किया गया था। अल्मा टाइम्स से चर्चा करते हुए श्री गौड़ ने कहा कि जीवन के अंदर रिस्क लेने वाला ही सफलता प्राप्त करता है। बगैर मेहनत और सकारात्मक सोच के कोई भी सफलता सिर्फ ख्याली पुलाव होता है। उन्होंने बताया कि जीवन में रिस्क लेने वाला व्यक्ति ही लोककल्याण के कार्यों को अंजाम दे सकता है। श्री गौड़ सामाजिक एवं सांस्कृतिक क्षेत्र में कई गतिविधियों के माध्यम से अपनी पहचान बना चुके हैं। वे आर्यव्रत ब्राह्मण समाज के गुजरात प्रदेश अध्यक्ष तथा समस्त राजस्थान समाज, बड़ौदा के अध्यक्ष के रूप में लोककल्याण के कार्य कर रहे हैं। गुजरात रोड ट्रांसपोर्ट फेडरेशन के चेयरमैन के दायित्व को बखूबी अंजाम देने वाले श्री गौड़ किसी भी ट्रांसपोर्टर की मदद के लिए सदैव तत्पर रहते हैं, उनका मानना है कि समय पर की गई मदद ही सच्ची सेवा है और यदि ईश्वर ने आपको इस योग्य बनाया है तो पूरी करने की ताकत भी वह प्रदान करता है।

## Guttina Srinivasa Sharma of East Godavari Nominates as Mandal Member of Thondangi

**EAST GODAVARI:** Social Activist of Andhra Pradesh, Shri Guttina Srinivasa Sharma of East Godavari has been nominated as IBP Mandal Member of Thondangi, East Godavari (Andhra Pradesh) for one year. This is informed by the President of IBP Shri Santosh Shukla, Advocate. Significantly, Shri Guttina Srinivasa Sharma has long been associated with Social and Cultural activities with enthusiastic ways. He has been associated with educational organizations and supported the cause of IBP philanthropic mission. On this occasion, He was congratulated by National and International Council Members across the world.

## Dwibhashyam Venkata Deepshithulu of East Godavari Nominates as Mandal President, Alamuru

**EAST GODAVARI:** Social Activist of Andhra Pradesh, Shri Dwibhashyam Venkata Deepshithulu of East Godavari has been nominated as IBP Mandal President, Alamuru, East Godavari for one year. This is informed by the President of IBP Shri Santosh Shukla, Advocate. Significantly, Shri Dwibhashyam Venkata has long been associated with Social and Cultural activities with enthusiastic ways. He has been associated with educational organizations and supported the cause of IBP philanthropic mission. On this occasion, He was congratulated by National and International Council Members across the world.

## Shimla city (Himachal Pradesh) of India gets listed under distinguished category of top 25 natural places by World Book of Records, London

Smt. Kusum Sadret, Mayor of Shimla would be bestowed the certificate for the record of World Book of Records

**LONDON:** World Book of Records, London has listed Shimla city (Himachal Pradesh) of India under distinguished category of top 25 natural places for its natural beauty, historic and specific architectural aspects in the world. This was informed by Shri Santosh Shukla,

Supreme Court, Advocate (President, World Book of Records). Smt. Kusum Sadret, Mayor of Shimla (Himachal Pradesh) of India would be bestowed the certificate for the record of World Book of Records.

Significantly, Shimla has been blessed with all the natural bounties. Dwelling on a panoramic location, the hilly town is surrounded by green pastures and snow-capped peaks. The spectacular cool hills accompanied by the structures made during the colonial era create an aura, which is very different from other hill stations. Bulging at its seams with unprecedented expansion, Shimla retains its colonial heritage, with grand old buildings, among them are the stately Viceregal Lodge, Charming iron lamp posts and Anglo-Saxon names. The Mall, packed with shops and eateries, is the centre of attraction of the town. In 1946 leaders of the Indian nationalist movement came to Shimla for a crucial conference that paved the way to Independence. She has been congratulated by Shri Virendra Sharma (Member of British Parliament), Dr Diwakar Sukul (Chairman of World Book of Record London) and Shri Santosh Shukla, Supreme Court Advocate (President, World Book of Records) and Shri Ravikant Sharma, Shimla.

Santosh Shukla  
Supreme Court, Advocate

## Patience must underlie deliberate slowness

The more time you give yourself to complete a goal, the more likely you'll achieve it. With any goal under 1-2 years, you're probably overestimating the amount you can accomplish. By undertaking new goals with deliberate slowness, you increase the chance you can achieve lasting success. Deliberate slowness has lost its appeal as a virtue. Although most people remember the old fable about the slow and successful tortoise against the faster hare, slowness is viewed as a sin in today's culture. Patience must underlie deliberate slowness. Almost any goal is achievable within a long enough time frame. However, the longer the time frame, the more patience you have to exert to keep your behavior consistent throughout this time. If you set the goal of investing Rs 100 per month, but give up in less than a year, you won't achieve any meaningful increase on your investment. Patience forces you to focus on the process towards a goal, instead of just the result. According to Scott H Young, the person who sprints at the beginning of a marathon is focused only on the end, not the steps beneath her feet. Once you admit that following a pace is necessary, you become focused on the steps. Once you accept slowness, you may even enjoy the path to the finish line.

Dr. Dilip N. Pandit  
Editor, Alma Times

## Personal Development Starts with a Firm Footing

Self-improvement is difficult. it is more difficult than most people realize. Making a permanent change, even a small one, takes effort, time and more than a few mistakes. On a short-term time horizon, even the smallest changes are almost miraculous. Scott says here aptly that the power of focusing on personal development is that returns compound. The investments you make in one area, allow you to improve in another. Being healthier gives you more energy to work harder, giving you more money to educate yourself. This upward spiral means that in the long-term, small changes can have a huge impact. A common mistake is to confuse these short and long-term time horizons. By assuming self-improvement functions the same way in six months as it does in six years, you make two errors. First, you greatly overestimate the amount you can realistically accomplish in six months. Second, you underestimate the power that deliberate slowness has in six years.

## Virendra Sharma MP (Ealing, Southall) praises local pupils getting a taste of university

He congratulates the brilliant club for the cause of education

**LONDON:** Local MP Virendra Sharma visited Year 10 and 12 pupils at Dormers Wells High School to hear about their progress as part of The Scholars Programme - a prestigious national scheme which gives school pupils an opportunity to experience university-style learning. The programme recruits, trains and places Ph D researchers in non-selective state schools to deliver university-style tutorials based on their own research to small groups of pupils. The pupils Virendra Sharma met with are studying a course entitled Regenerative Medicine: Making Bone out of Fat and Diamond with their tutor Despoina Paschou from University College London (UCL). As part of the programme,

the pupils will also visit two highly-selective universities, where they receive information, advice and guidance about university life and making a successful university application. On this occasion, Virendra

Sharma said: "It was great to visit Dormers Wells High School today, and meet pupils taking part in The Scholars Programme. I was very impressed at how they engaged with such a complex and challenging academic topic. It just goes to show what young people from Ealing, Southall can achieve if we give them the opportunity. I wish the pupils the very best for the future, and I encourage more schools to give their pupils the chance to benefit from this programme". The Scholars Programme is run by The Brilliant Club, an award-winning charity whose aim is increase the number of pupils from under-represented backgrounds progressing to highly-selective universities.

## Sammilan Shetty's Butterfly Park of Mangalore (Karnataka) gets placed in World Record

Hosting more than 147 species of butterflies and awareness programmes with conservation activities

**MANGALORE:** Sammilan Shetty's Butterfly Park of Mangalore (Karnataka) India has been listed for hosting more than 147 species of butterflies and awareness programmes with conservation activities by World Book of Records. This was informed by Shri Santosh Shukla, Supreme Court, Advocate (President, World Book of Records).

Significantly, Sammilan Shetty's Butterfly Park was set up in the year 2011 by Sammilan Shetty, a young nature lover and butterfly enthusiast. Situated at Belvai, near Moodabidri at the foothills of the Western Ghats, the park is a treasure house of a wide variety of butterflies belonging to this

region. The park is developed on natural greenery and the butterflies are also natural inhabitants of the park. The park respects the butterfly's freedom and no dome or enclosure is maintained to keep them trapped within the park.

World Book of Records is international an organization. Under the various categories, World Book of Records includes specific places, temples, forts, natural landscapes, tunnels, individuals and organizations that worked unique and contain historic, economic, social and cultural impact among people and a country are to be listed. and Master in Public Policy, he has been dedicated to social and cultural causes for betterment of society. He has been congratulated by Shri Virendra Sharma (Member of British Parliament), Dr. Diwakar Sukul (Chairman, World Book of Records, London) and Shri Santosh Shukla, Supreme Court, Advocate (President, World Book of Records) and others.

## Reliance Foundation plans to set up university for 'cutting-edge research and innovation'

**MUMBAI:** Reliance Foundation, one of the largest private foundations in the country, plans to set up a university for cutting-edge research and innovation as well as nurturing future leaders, musicians, scientists and Olympians, said its founder-chairperson Nita Ambani. She said sports and education are the two pillars on which 'India tomorrow' will rise. With her husband Mukesh Ambani, Reliance Industries Chairman and Managing Director, in the audience, she delivered a talk titled 'The Great Equaliser: Sports and Education For All'. "Even the world's best and biggest companies have a finite lifespan. But educational institutions are timeless. They live and breathe and grow in the generations whom they empower," she said. And that is why, Reliance Foundation is planning to set up a world-class university, she said. "A university at the cutting edge of research and innovation. A university that focuses on education and sports, art and culture," she said without giving a timeline for setting up of the institution. The university, she said, will collaborate with the top universities around the world and prepare future generations to face the world, with knowledge and skills. "A university from the gates of which will emerge our future leaders, our musicians, our scientists, and our Olympians," she said. "Building such a university is our dream at Reliance Foundation."
